New Name, Same Service

—MONTELEON LAW—

No matter how big or small, we help our
clients find solutions to their legal problems.

We are thrilled to announce that we have realigned and rebranded our practice to focus solely on Elder Law and Estate Planning under our new company name, Monteleon Law, PLLC!

Monteleon Law is proud to continue providing quality elder law and estate planning legal services to our clients in both New York and Virginia. Our firm will also continue to offer services related to probate and estate administration, guardianship and conservatorship, and long term care planning.

Although our name has changed, we still stand by our mission of providing high quality and effective legal services tailored to our client's needs - no matter how big or small. Thank you for being part of our journey, and we look forward to continue to grow with our clients!

July 22 - World Brain Day

People around the world celebrate World Brain Day on July 22 of every year. This is one of the most important annual celebrations in the world, as it helps raise awareness on an increasingly significant health issue, especially in our modern age. Brain health can refer to many prevention methods designed to help preserve both mental health and brain neurological health. As people have become increasingly more vulnerable to neurological issues, raising awareness of the issue is as important.
