How Can Natural Disasters Impact Your Estate Plan?

With natural disasters such as hurricanes, flooding and wildfires affecting various regions of the country, you may be wondering if (and how) these natural disasters can have any impact on your estate plan. The effect of natural disasters on estate plans is examined in further detail below.

How Do Your Assets Pass On if You Don't Have a Will?

When someone passes away without having a will, that person is considered to have died “intestate”. When this happens, it is up to the probate court to determine who gets what assets – regardless of how any family members or other loved ones of the deceased individual feel.

APRIL CELEBRATIONS!

Join us in celebrating these holidays this month and share how you observed them on our social media!

National Social Security Month

—MONTELEON LAW—

April is National Social Security Month!

Every April, National Social Security Month highlights programs we may not know about. The Social Security Administration website has helpful articles and FAQ's for everyone. Celebrate by creating a free and secure My Social Security Account to access personalized tools and services.

April is Parkinson's Awareness Month!

This April, take 6 minutes to raise awareness for Parkinson's disease – because every 6 minutes, someone is diagnosed in the US. By taking action, you're helping to shine a light on the challenges of living with Parkinson's and supporting vital research. Together, we can work towards a future with better treatments and a cure.

Let's unite this Parkinson's Awareness Month and make a difference.
